

Descendants of James Pollock

Generation 1

1. **JAMES¹ POLLOCK¹** was born date Unknown. He died date Unknown.

Notes for James Pollock:

Name Notes:

The source identifying James as the father of George is the notarial record of the sale of Lot 16 Cote Ste Angelique. It is recorded that one of the owners of neighbouring Lot 15 is George Pollock, "son of James." It is well documented elsewhere that the George on Lot 15 is the George married to Mary Jane and the father of John, William, and James.

James Pollock had the following child:

2. i. **GEORGE² POLLOCK²⁻³** was born on 15 Mar 1801 in Ireland⁴⁻⁵. He died on 22 Feb 1891^{2, 5}. He married Mary Jane Pollock about 1830 in Ireland.³ She was born on 01 Feb 1807 in Ireland⁴⁻⁵. She died on 02 Aug 1882⁵.

Generation 2

2. **GEORGE² POLLOCK** (James¹)²⁻³ was born on 15 Mar 1801 in Ireland⁴⁻⁵. He died on 22 Feb 1891^{2, 5}. He married Mary Jane Pollock about 1830 in Ireland.³ She was born on 01 Feb 1807 in Ireland⁴⁻⁵. She died on 02 Aug 1882⁵.

Notes for George Pollock:

The source identifying James as the father of George is the notarial record of the sale of Lot 16 Cote Ste Angelique. It is recorded that one of the owners of neighbouring Lot 15 is George Pollock, "son of James." It is well documented elsewhere that the George on Lot 15 is the George married to Mary Jane and the father of John, William, and James.

The text of Quebec Land Record 2532 (1867) regarding the Indebtedness to the Seigneur by George Pollock and John Pollock who jointly held Lot 15, identifies George as the uncle of John. There is evidence that this John is "Little John" son of "Red" John Pollock and Martha Pollock. The uncle connection could be through father to father, father to mother, mother to father or mother to mother. DNA testing may help in solving this riddle.

Birth Notes:

The 1851 census enumerator recorded, in addition to age at next birthday, the month and day of birth, something that was not required nor often done. George's birth date was recorded as 15 March. His age at next birthday, which would be March 15, 1852, is recorded as 51, making his birth year as 1801. The next three censuses records and the tombstone inscription all agree with 1801 being the year of birth.

Death Notes:

The death of George was entered in the 1890 church record even though the death occurred in February 1891

Notes for Mary Jane Pollock:

Name Notes:

The 1851 census normally recorded the maiden name of married women. This was also the

Generation 2 (con't)

case for church records of the mother's name for births. In all instances Mary Jane's last name is recorded as Pollock. Therefore it is believe that Pollock was her maiden name.

Birth Notes:

The 1851 census enumerator recorded, in addition to age at next birthday, the month and day of birth, something that was not required nor often done. Mary Jane's birth date was recorded as 1 February. Her age at next birthday, which would be Feb 1, 1852, is recorded as 44. This would place her birth date as 1 February. Ages given at the succeeding three censuses agree with this date plus or minus one year, so the most likely date of birth is 1 February 1807. Her age at death of 75 years as of August 1882 supports this date.

Marriage Notes: (Mary Jane)

The date and place of marriage is assumed, based on the place and year of birth of first child.

George Pollock and Mary Jane Pollock had the following children:

3. i. **WILLIAM³ POLLOCK^{3, 6}** was born on 12 Dec 1831 in Ireland^{3, 7}. He died on 25 Jul 1906 in Ottawa, Ontario⁸⁻¹⁰. He married (1) **ALICE JOHNSTON**, daughter of Alex Johnston and Rachel unk, in 1857¹¹⁻¹². She was born on 01 Nov 1826 in Canada¹³. She died about 1877 in Argenteuil County, Quebec¹⁴. - iii. **JAMES POLLOCK³** was born on 17 Aug 1835 in Ireland³.

Notes for James Pollock:

James is shown in the 1851 censuses at the age of 15. This is the last record of him. The History of Argenteuil County states that George had two sons that reached the age of majority. Therefore it is believed that James died sometime between 1851 and 1861.

Generation 3

3. **WILLIAM³ POLLOCK** (George², James¹)^{3, 6} was born on 12 Dec 1831 in Ireland^{3, 7}. He died on 25 Jul 1906 in Ottawa, Ontario⁸⁻¹⁰. He married (1) **ALICE JOHNSTON**, daughter of Alex Johnston and Rachel unk, in 1857¹¹⁻¹². She was born on 01 Nov 1826 in Canada¹³. She died about 1877 in Argenteuil County, Quebec¹⁴. He married (2) **MARGARET WILSON**, daughter of James Wilson and Ann Jane Walker, on 08 Oct 1877 in Mille Isles, Argenteuil County, Quebec⁶. She was born about 1831¹⁵. She died on 26 Jun 1896 in Lachute¹⁵.
